

Cookies Policy

Springfarm Architectural Mouldings Limited (SAM) uses technology to collect information about the use of the Website and to distinguish you from other users of our websites in order to improve your experience when you browse the Website.

In order to collect the information this Website uses cookies. A cookie is a small file of letters and numbers that is sent to your browser and stored on the hard drive of your computer (or internet enabled device) when you visit a website. We use the following cookies on our website:

1. Strictly Necessary Cookies

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

2. Performance Cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site and will not be able to monitor its performance.

3. Functional Cookies

These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies, then some or all of these services may not function properly.

4. Targeting Cookies

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not directly store personal information but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

Third Party Cookies

This Website may link through to third party websites which may also use cookies over which we have no control. We recommend that you check the relevant third party's privacy policy for information about any cookies that may be used.

Disabling Cookies

You can configure your web browser to refuse cookies, to delete cookies, or to be informed if a cookie is set. You can find out how to do this by clicking "help" on your browser menu.

Note that by deleting or blocking cookies, the Website may not function correctly, and you may not be able to access certain areas.

More About Cookies

To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit <http://www.allaboutcookies.org/>
